AQ190 (Ford Block 302) Manifold Question

Hello:

The log type of manifolds for the AQ190 (Ford block 302) are no longer available and it has been a long time since I have been able to find them.

So attached is a kit that we have sold before that turns the manifolds into a center rise type. It works well and is the best solution.

Thank you and please don't hesitate to contact us if you need any more information or would like to place an order.
